## PRESIDENT'S MESSAGE

Dear Clumber Spaniel Club Members,

I hope this message finds you and your furry companions in good health and high spirits. As we embark on another exciting chapter within our club, I am thrilled to share some updates and plans for the upcoming year.

Firstly, I am delighted to announce that Denise Branch has graciously taken on the responsibility of writing our club newsletter. Her passion for our beloved Clumbers and her dedication to keeping our members informed and engaged make her the perfect fit for this role. I have full confidence that Denise will bring fresh perspectives and creative ideas to our newsletter, enriching our club communications for the benefit of all.

Additionally, I am thrilled to report that preparations for this year's National Specialty in Saskatoon are well underway. Our team is hard at work planning a memorable and successful event that celebrates the beauty, talent, and camaraderie within our Clumber community. I am personally invested in ensuring that this year's specialty exceeds expectations and leaves a lasting impression on all who attend.

As we look ahead to the year ahead, let us continue to cherish the bonds we share with our Clumbers and the friendships we've forged within our club. Together, we can make this year one filled with unforgettable experiences, meaningful connections, and shared accomplishments.

Thank you for your unwavering support and dedication to our club. I am truly honored to serve as your president, and I look forward to the exciting journey that lies ahead.

Warmest regards,

Shannon

## EDITORS MESSAGE

Hello Everyone,

I am proud to take over the CSCC Newsletter and hope that you enjoy our New Look!

I hope that you find the newsletter enjoyable with all the information about our club, its

members and of course our special breed! I hope that if you have an article, or some photos you would like to share in our newsletter, that you will send them my way. Most

of you know me through my Boy Am/Can Ch RBBIS, BISS OHBIS , BPIS Clussexx Whisper in The Wind Aka Dancer, and also a CKC judge for sporting and hounds.

Now that Covid is somewhat behind us and shows are on the rise, I hope to see and hear more clumbers in the CKC events.

Thank you,  
Denise

## ATLANTIC DIRECTOR REPORT

As director for the Atlantic Region, I am thrilled to say Clumbers have been present and visible in various events in the area!

The Halifax Kennel Club weekend of Shows saw up to 6 Clumbers entered over the weekend!

I'm happy to share the following:

Sandy/Sonya's Clumbers did great – Their girl Seagirt's Fitbit for Glenmire earned herself some lovely points over the weekend including a BOB win. Their young puppy boy Glenmire's Ghillie Dhu also earned himself his first point at his very first dog show from the puppy class!

Richard/Dermot's Clumber boy Auggie also did well – Wymeswold Auguste Escoffier earned himself some points to add to his points collection!

Kyrsten also attended with her lovely Clumbers – Bongo Ch Big Booms Incredible Bongo picked up more Grand Champion points to add to his collection. And Kyrsten's girl Ch. Wymeswold Montpellier also picked herself up Grand Champion points to add to her collection.

Erin's boy Snoopy GCHEx. Clussexx Flying Ace SDN TDN picked himself up a Group win and a couple group placements as well!

This past weekend at the Cobequid Dog Club Shows, Richard and his boy Auggie earned more points, and he is now just 1pt shy of his Championship. Congrats Richard and Auggie! Sandy and Sonya's girl Biddy also picked up points by taking the breed over the boys a couple times! Their puppy boy Ghillie also had fun and added to his points

collection as well! Big Congrats to Sandy, Sonya, and Richard on your Clumbers achievements this past weekend!

Erin attended the local Scent Detection Trials earlier in April where her boy Snoopy earned himself a qualifying pass in Open Interior level, to add to the Open Containers he already had. Now he just needs his Open Exterior pass to earn his Scent Dog Open title.

We are wishing everyone across the country a wonderful Spring/Summer to come and sending our best wishes to everyone wherever you are competing at, and in whatever sport you are partaking in!

Erin LeBlanc  
Atlantic Director

## National Specialty 2024

CSCC received approval from the CKC to host our 2024 National Specialty Show and Junior Handling event on August 31st, 2024 at the Saskatoon Kennel and Obedience Club show. The committee consists of Brenda Vanstone as Show Chair, Cathy Maltby, and Shannon Van Norman.

Anyone interested in volunteering contact one of the Committee members. Also any donations towards the Specialty can be sent to Cathy Maltby.

If you're interested in backing our national specialty this year, we'll kick off trophy donation sales on **June 1st**. You'll have the chance to contribute for each class featured at the specialty. Keep an eye on our club's Facebook page and the specialty event page for announcements!

We received a beautiful donation from Tammy Luethje (Tarl Chihuahuas) who runs the online auction for the national Juniors show 2024 in Alberta. She graciously gave us 1500.00 towards our show, as she did for other small breed clubs. She wanted to help smaller clubs. The donation will assist the club in having our show and include having junior handles. So please pass on the information to any junior handler.

Raffle and Trophy donations will be forthcoming. We as a club purchased some raffle tickets for a portrait to be used at the national for the best Junior. We won the portrait.

## UPDATES AND TIB BITS

Dear Clumber Spaniel Club of Canada Members,

**We hope this message finds you and your beloved Clumbers well. As a token of our appreciation for your continued support and dedication to the club and our beloved Clumber Spaniels, we are excited to announce an exclusive opportunity for our members.**

We will be holding a special draw for a custom painted portrait of your cherished pet, provided by the very talented artist, Pet Portraits by Peggy. This unique prize offers the chance to immortalize your furry friend in a stunning work of art that you can treasure forever.

<https://www.facebook.com/profile.php?id=100063506980706>

What's even more exciting is that as a valued member of our club, you are automatically entered into the draw for this incredible prize! If you haven't renewed your membership for the current year yet, don't worry—there's still time. Simply ensure that your membership is renewed by May 4th, and you'll be included in the draw. Draw is for CSCC members only, including the Executive and Directors.

The lucky winner will be selected randomly on May 8th, so be sure to keep an eye out for the announcement. It could be you!

Thank you once again for your unwavering support and passion for Clumber Spaniels. Your dedication is what makes our club so special, and we're thrilled to have you as part of our community.

Best of luck in the draw, and may the spirit of the Clumber Spaniel bring joy and companionship to your lives each and every day.

Any questions, please email Cathy Maltby Treasurer/membership

## CLUMBER RESCUE

As of now, there are no incidents to report.

However, we want to take this opportunity to highlight our dedicated Rescue Coordinators:

Anne Smith, based in Tupperville, Ontario, serves as our Rescue Coordinator and Ontario Director. If you are aware of a Clumber Spaniel in need, please reach out to Anne at [anbar@bell.net](mailto:anbar@bell.net).

In Western Canada, Shannon Van Norman leads rescue efforts. You can contact Shannon at [shannonvannorman67@gmail.com](mailto:shannonvannorman67@gmail.com) if you have any concerns or know of a Clumber Spaniel requiring assistance.

## CSCC WEBSITE

We're excited to remind all our members of the invaluable resource at our disposal: the Clumber Spaniel Club of Canada website. This digital hub offers a wealth of information, resources, and updates about our beloved breed and club activities.

Whether you're seeking breed standards, event schedules, or just want to connect with fellow Clumber enthusiasts, our website is the place to be. Shannon's dedication ensures that the website remains up-to-date and user-friendly, serving as a central hub for all things Clumber-related.

Visit [www.clumberspanielclubofcanada.com](http://www.clumberspanielclubofcanada.com) today to explore the latest news, learn about upcoming events, and connect with our vibrant community. Thank you, Shannon, for your ongoing commitment to keeping us informed and connected.

## **This Issue's Feature- Interview with our National Junior handler winner and Clumber breeder(NewDayClumbers). Laurence Giguere.**

**This interview was done with the Canadian Dog Judges Association.**

### **CDJA Interview**

I am 18 years old and live in Quebec. I breed Clumber Spaniels with my parents. I am currently in my last year of college and will enter law school next year. I have been showing dogs since I was 7 and want to pursue this passion of mine when I am older even if I do not want to become a professional handler.

When did you first become involved in Jr. Handling?

I first became involved in junior handling when I saw a competition at the Club Canin Chomedey in 2012. I immediately told my mother that I wanted to try and the next day I was participating. I immediately fell in love with the sport and never stopped competing in junior handling until the day I aged out.

Was this your first trip to Crufts?

It was my first trip to the prestigious Crufts!

What were your first impressions upon arriving at Crufts?

My first impression upon arriving at Crufts was that this show is humongous! I have never been to a show where there are the same amount of spectators and exhibitors. It was very special to see how for many English residents this show is for them an event that they attend each year! I would love that our sport would be as popular here!

Please describe the judging procedure?

The judging procedure of the junior handling competition is similar to the one we have in Canada with some small differences. For example when we enter the ring we go across the ring one at a time and because the ring is way bigger than the one we have here there are person's telling us where to go. Each competitor presents their dog to the judge and completes a triangle. Then if we still had time the judge could make us do another pattern which for us was to do an up and down. In Canada, we need to keep our leach in our hands or neck the entire time it can not go on the floor but there it is not a requirement which was pretty shocking for me. It was a well-prepared competition as the day before we competed, we did a rehearsal to present us ring procedures.

What advice would you give a future Canadian Jr. handler who travels to Crufts?

The advice that I would give to a future Canadian junior handler participating at Crufts is to keep your calm and to act like it was a regular competition. Many people came to see me and asked if I was stressed, and I answered no and that for me it was just another experience that I wanted to enjoy every minute instead of stressing the entire time and

it shows while you are in the ring. At this point you are already a winner so enjoy this additional experience!

Laurence wanted to show a Clumber at Crufts however Clumbers were being shown at the same time as the junior competition.

### *The Story of ... EUGENE'S JOURNEY*

, I'm Eugene's mom, Anne Smith. This is a story of the journey of Shogun's comic relief from his birth at Shogun's Kennel in Dousman, Wisconsin to my door in Tupperville, Ontario

Eugene was whelped April 10, 2015, by Helen and Otto Marshall and sold as a pet to Mary Ann Karney.

A lovely Irish lady in Pennsylvania. He joined two other Clumbers from Shogun Kennel. Unfortunately, Mary Ann died in December 2021 after a long battle with cancer. Family friends were able to adopt the two other boys but could not take Eugene.

Eugene was adopted by a lady in Maryland who meant well but had no experience with a rowdy sporting dog. She sent him to three trainers who turned out to be progressively abusive. When Mary Ann's friends discovered the situation, they came back and rescued him. They called Helen the breeder and she called me. I had just lost my young Clumber to a devastating disease and Helen said, "he needs you as much as you need him". Eugene came home to me by Clumber Friends and Will Alexander. Eugene has become my funny face and a never-ending source of pleasure for me.

Sincerely,  
Anne Smith

## REMEMBERING DONALD WELLS

Don was a long-time member of the CSCC and long-time director for the Atlantic zone. He will be missed by many in the dog community. I personally, have Don and his clumber Curtiss to thank for our love of this amazing breed. I had been involved with purebred dogs since I was born. My parents had Dobermans and I had been attending dog shows since I was 6 months old back in 1981. My now husband Elliott, however, did not attend a dog show until we started dating. One of the dog shows I took Elliott with me to he quickly noticed a Clumber on a grooming table and off he went!!! Well, that Clumber was Curtiss and that kind man was Don Wells. Don was so very kind to Elliott and allowed him to meet Curtiss and get to know the breed. I will never forget the big smile on Elliotts face as he came back over to my mother and I standing there and he says, "We are getting a Clumber some day!". And the rest as they say is History. I will always be forever grateful to Don for taking the time that day with Elliott and allowing him to meet Curtiss.

Outside of dogs, Don had quite the achievements as well. He was a nuclear physicist in his professional life. His roles included Vice President of University of Manitoba, President and Vice-Chancellor of the University of Mount Allison, and President and Vice-Chancellor of University of Regina. In his retirement, and one of his proudest accomplishments was the creation of The Valley Hospice in Nova Scotia. You can read more about Don as well at the Link below:

<https://www.whitefamilyfuneralhome.com/obituaries/171331>

**Here are a few words from Don's wife Audrey:**

Don's interest in Clumber Spaniels started with his daughter who lives in Scottsdale, Arizona. She bred Clumber Spaniels as a hobby.

Chapter One: The first Clumber Don had was Pierre. Don was in the process of training Pierre to go to Nationals in Montreal where he would meet up with his daughter. Unfortunately, Pierre died suddenly, a ruptured Thymus Gland it was believed to be. Needless to say both Don and his daughter were very upset. A funny story about Pierre as I recall Don telling - he ate an entire pound of butter (Don was a baker). That was sitting on the counter.....you can only guess what happened.

Chapter Two: The second Clumber was Curtiss aka Ch. Cactus Kill Devil Hills. Don's daughter was his breeder. Curtiss and Don went to many dog shows over the years and Curtiss won several awards. His last showing was in the veterans class in Halifax where the 2015 CSCC National was held. Both Curtiss and Don were seen as being happy together taking one more spin around the conformation ring! At this show, Curtiss and Don were able to meet up with a lady who used to show Curtiss as a Junior. It was touching to see this. Curtiss passed away at the age of 12 of natural causes.

...

## REMEMBERING DONALD WELLS CONT

Chapter Three: The third Clumber is Peyton. She is 8 years old. Again, this dog was sent to Don from his daughter in Arizona. Peyton was bred in Australia and was brought to the US to be bred but had some health issues which were not in line with breeding so instead she became a treasured pet. She weighs 50 pounds and Don said she is the calmest of all of his Clumbers. Peyton had the opportunity to spend time with Don during his final 2 weeks at Valley Hospice and it was such a comforting sight. While visiting Don, she brought a twinkle to other patients and family members eyes.

Don you will always be remembered by your Clumber Spaniel family for your contributions to the breed and our club.

Erin LeBlanc  
CSCC Atlantic Director

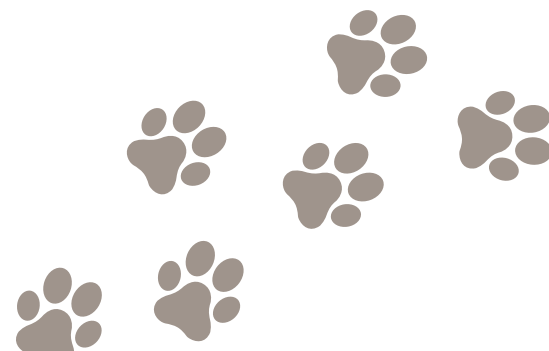

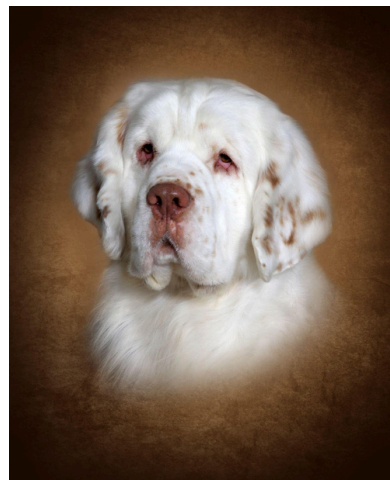

## TRIBUTE TO: BACARDI

Bacardi holds a special place in our hearts as a beloved member of our family here at Tricklecreek. Born on June 13th, 2010, he brought joy and companionship into our lives from the very beginning. Despite a few changes in homes early on, Bacardi's unwavering loyalty and affection always brought him back to us.

He was more than just a dog; he was a faithful friend who accompanied us on countless adventures and brought smiles to our faces with his playful antics. Bacardi's presence lit up the show ring, where he excelled and garnered numerous accolades, showcasing his remarkable spirit and grace.

In his role as a father, Bacardi shared his gentle nature and loving spirit with his offspring, leaving a lasting legacy of beauty and charm. His passing leaves a void in our lives, but we take comfort in knowing that he lived a full and vibrant life, touching the hearts of all who knew him.

As we bid farewell to Bacardi, we cherish the memories we shared and the love that will live on in our hearts forever. Rest in peace, dear friend. You will be deeply missed

## MESSAGE FROM OUR NEWEST MEMBER-WELCOME

Sandy & Sonya Baird,

Nova Scotia CSCC Members

We are new members of the CSCC. Just a quick introduction....

Sonya and I have been in purebred dogs together since we've been married 42 years ago, breeding Newfoundland dogs under the Glenmire prefix. We met showing and decided to join forces.

Originally, I grew up with my father breeding Newfs in Newfoundland, so I have always been involved in some way (probably fed milk replacer at birth, lol).

We took over the "Glenmire" kennel name from my father. Our last Newf, who died 2 years ago, was from Kyrsten Adams of Seagirt Kennels. Kyrsten had her first litter of Clumbers and asked if we would like one. Seagirts Fitbit for Glenmire "Biddy" came to us four years ago. We were delayed showing due to Covid, so last year we made the trek to the US (Massachusetts) and bred her to Bulwinkles James Bond 007, owned by Sarah Bulwinkle.

We had our first litter last May - 8 healthy puppies - finding homes for them far and wide, except for a male that we kept, "Glenmire's Ghillie Dhu". We are so enjoying our Clumbers. We were surprised at how many Clumber owners had also been involved with Newfs.

This year, with motherhood over for Biddy and excited to get Ghillie out to the shows, we entered the first show of the year in Atlantic Canada, in Lantz, NS (Halifax Kennel Club). We had a nice entry with a total of six Clumbers. Kyrsten Adams and her mother, Linda, travelled from Newfoundland with 2 of her Clumbers, Liza and Bongo. Richard Lafond and Dermot Moore had their boy "Auggie" and Erin Leblanc had her handsome boy "Snoopy". We all had a fun weekend and shared the wins among us all. Now we are planning our next show outings. Hopefully we will continue to all have fun.

Also, heads up to all members -- we are hoping to have a good entry in September at the Pictou County Kennel Club shows and expecting some of our friends coming from the US and whoever else we can encourage.

Clumber Spaniel Fan

Sandy Baird

## CSCA HEALTH FOUNDATION

- CSHF is an independent, 501(c)(3) charitable organization, formed with a mission to promote charitable, educational and research efforts related to the Clumber Spaniel.
- During its first decade of service, 2007-2017, CSHF awarded over \$105,000 in grants.
- Grants are generally awarded in support of research that relates to an issue facing Clumber Spaniels. Some areas of research have included Hemangiosarcoma and other cancers, IVDD, and IMHA.
- Although CSHF's approach targets Clumber Spaniels, other breeds, and even mixed-breed dogs, may also benefit!
- CSHF also focuses on outreach, hosting educational events at most every National Specialty and, together with CSCA, jointly underwrote the International Symposium last year.
- CSHF manages the CSCA DNA Bank.
- CSHF encourages owners to obtain necropsies and, through the Piper Fund, provides rebates to owners who share results with the Foundation.

Your donation can make a difference! We thank you for helping us support health research, educational and data collecting programs that will improve the lives of Clumber Spaniels.

## SHARE YOUR CLUMBER STORIES AND PHOTOS FOR OUR NEXT NEWSLETTER

As we prepare for the next edition of our club newsletter, we invite you to contribute your stories, accomplishments, and photos featuring your special Clumbers! Please send as early as possible before the deadline.

Whether it's a heartwarming tale of a bonding moment with your furry friend, an exciting achievement in competitions or activities, or simply some adorable snapshots capturing the essence of your Clumbers' personalities, we'd love to include them in our upcoming newsletter.

Please send your submissions to Denise at [bluesouthlabradors@gmail.com](mailto:bluesouthlabradors@gmail.com).

Your

contributions will add richness and variety to our newsletter, showcasing the diverse experiences and joys shared by our members within the Clumber Spaniel community.

**If we inadvertently missed any information or titles in this issue, please send them in, and we'll ensure they are included in the next edition of the newsletter.**

*Next Deadline for Newsletter Submissions is September 30th*

*Thank you and I hope you enjoyed this edition  
of our Clumber Crier*
